

**THE NIGHT
MINISTRY**[®]

FY 2021 **ANNUAL REPORT**

1735 NORTH ASHLAND AVENUE, SUITE 2000, CHICAGO, IL 60622

www.thenightministry.org Phone: 773-784-9000 Fax: 773-784-5865

THE NIGHT MINISTRY is a Chicago-based organization whose mission is to provide human connection, housing support, and health care to those who are unhoused or experiencing poverty. With an open heart, we compassionately accept each individual as they are and work alongside them to advocate for their immediate physical, emotional, and social needs while affirming our shared humanity.

DEAR FRIENDS,

One thing is clear in reflecting upon FY21 at The Night Ministry: while striving to fulfill its mission under difficult circumstances brought on by the COVID-19 pandemic, the agency thrived as it broadened its reach and adapted its services to better meet the evolving challenges faced by members of our community experiencing homelessness or poverty.

We began FY21 with a momentous occasion: moving The Crib overnight shelter for young adults into its new location, the first floor of our new headquarters in Bucktown. The Crib is now in a larger space with improved facilities, including a dorm room with beds, several single-user washrooms and shower rooms, and offices for the Youth Outreach Case Managers who work with the shelter's guests. The enhanced environment provides the young people who stay at the shelter with more privacy, a better night's sleep, and increased access to comprehensive in-house supportive services.

In the fall, The Night Ministry began leveraging its expertise in youth outreach and case management in a new program known as the Flexible Housing Pool for Youth (FHP) that connects unhoused young adults with their own apartments.

A local nonprofit, The Center for Housing and Health, provides subsidies for market-rate rental apartments, while The Night Ministry serves as the first point-of-contact for young adults eligible to participate in the program and, along with other FHP program partners, provides ongoing support to help participants stabilize in the community. Since the FHP's inception, The Night Ministry has taken a lead role in the program, helping shape its development and expanding its own case management staff to support a growing number of FHP clients.

When winter settled in, The Night Ministry ramped up the scale of its outreach on Chicago's public transit system, an effort we had begun in the early days of the pandemic to reach individuals using CTA trains for shelter. With support from the City of Chicago's Department of Public Health, staff from our Health Outreach Program and Youth Outreach Team are now providing weekly health care, case management, food, and survival supplies to clients at end-of-the-line stations on the Red and Blue lines. We often serve more than 100 people a night, many of whom are not connected to any systems of ongoing care such as the shelter system.

The Night Ministry continues to play a key role in the public health system. With the arrival of COVID-19 vaccines, we were a vital link to vaccinations for members of Chicago's homeless population, many of whom faced significant barriers to receiving the vaccine, including past mistreatment by the medical system and a lack of trust in it. We relied on the strong relationships and trust we have built with our clients on the streets and in our Youth Housing Programs to act as a foundation for educating them about the vaccine and then to provide it to those who chose to receive it.

Meanwhile, the organization proceeded laying the foundation for its own strong and healthy future. The Campaign for The Night Ministry, a major fundraising initiative launched in 2018 to ensure the agency could continue providing innovative and impactful services in the years to come, surpassed its goal by raising \$8.736 million as it crossed the finish line. Staff from across the agency moved forward with steps to realize racial equity in the organization's day-to-day operations, as The Night Ministry embarked on the process of becoming an anti-racist organization. And a months-long

process of dialogue, consultation, and research resulted in the formation of the agency's new strategic plan. Anchored in the agency's commitment to anti-racism and the advancement of innovation, the plan officially launches in July and calls for strengthening The Night Ministry's organizational capacity while continuing to increase the quality and reach of its programs.

We are grateful for your support, which has made it possible for The Night Ministry to strive and thrive in FY21. These exciting developments, as well as the day-to-day fulfillment of our mission, are a direct result of your partnership with The Night Ministry. We look forward to continuing that relationship in the future.
